

Using Water Wisely

A Lawn & Landscape Irrigation Workshop

Hosted by College Station Utilities, TAMU, Texas Cooperative Extension, and
the Texas Agricultural Experiment Station

The workshop is free but you
must register to participate.
Space is limited to the first 50
registrants.

Highlights

- Regional constraints on our local water supply
- Perceptions about lawn and landscape watering and water conservation
- Determining your lawn and landscape water needs!
- Ways to water lawns and landscapes more wisely and efficiently!

Date: Saturday August 19, 2006

Time: 9:00 am til Noon

Location: Carter's Creek Waste Water Treatment Plant
2200 North Forest Parkway
College Station, Texas
